Open a book: grow your mind

## Summer Reading Club July 16 - August 20, 2019 For Children Ages 6—13

The Summer Reading Program is an inclusive program that strives to engage children in the joy of reading during the summer months. The program helps connect families with books and build confidence in reading through the delivery of free incentives, fun, and accessible library activities. All summer long across Canada, libraries aim to inspire a sense of adventure and wonder, nurture children's imaginations and celebrate their accomplishments.

Join us every Tuesday afternoon from 3:00 pm to 5:00 pm as Lana Bouma leads the children through stories, activities and crafts.

This is a free program for children but you must pre-register to attend by contacting the library @ 780-785-2955.

Maximum 15.

Sponsored by the CLSA FCSS Grant and various community members that donated supplies, materials and snacks.
